Dr. Azad Moopen

Founder Chairman & Managing Director
Aster DM Healthcare

Profile

Dr. Moopen's College of Pharmacy comes with the 3 decade legacy of Aster DM Healthcare, a performance driven healthcare enterprise spread across 323 establishments in 9 countries. The foundation of the group was laid by Padmasri Dr. Azad Moopen. Aster DM Healthcare is headquartered in Dubai and is one of the largest and fastest growing conglomerates in the MENA region and the network now encompasses 19,593 employees, 2296 doctors with several JCI accredited Hospitals, clinics and Diagnostic Centres.

Aster pharmacies are a part of Aster DM Healthcare. Backed by more than 2 decades of experience in pharmaceutical retailing, Aster Pharmacies are designed to be a one-stop-shop offering premium products with professional service and personal care at the best prices in a pleasant ambience. The 100th pharmacy was inaugurated in April 2014 at the Dubai Healthcare City (DHCC) and currently operates over 300 pharmacy outlets not only in the UAE, but also in Kuwait, Qatar, Oman and Jordan.

Dr. Moopen's College of Pharmacy is managed by DM Education and Research Foundation, a charitable Trust. The location of Dr. Moopen's College of Pharmacy is amidst lush green canvas, away from the noisy, congested city setting. DM WIMS College of Pharmacy has made all the efforts to retain the nature's bounty while planning for the campus. Thus Dr. Moopen's College of Pharmacy campus emerges as a unique project, where modern, state of the art facilities blend with abundant natural beauty of flora and fauna. The atmosphere for learning is conducive with almost zero pollution, minimal distraction and soothing lap of nature. The curriculum at Dr. Moopen's College of Pharmacy has been framed taking into consideration the responsibility of students to meet the demands of hi-tech pharmaceutical Industry, at the same time ensuring that they confidently serve the requirements of patient care and pharmacy practice.

The college was established in the year 2016 and in a short time, the college has been able to secure top position among 54 colleges in the State in terms of academic results in the recently held University examinations. Thus, Dr. Moopen's College of Pharmacy is aiming to become one among the top 10 institution in the field of pharmacy education and Research in India with global standards.

The main objectives of the Trust are:

- To provide and promote education and medical relief service without profit motive
- To establish, manage, operate and run educational institutions for imparting management or general education and scientific knowledge
- To spread education and for achieving the said object, to establish, maintain, run, develop and impart, all other allied studies including Higher Education and Research, dispensaries, Hospitals, maternity homes, welfare centres of various nature, and such other similar institutions, especially in the socially and educationally backward districts in Kerala state or at any other place in India.

Objectives of the Dr. Moopen's College of Pharmacy

- To develop the graduates, post graduates and research students to international standards.
- To prepare the students in the state-of-the-art pharmacy education to meet the inter-disciplinary demands of future.
- To motivate the faculty and students for research activity and to highlight the role of pharmacy profession among the health care society.
- To constantly upgrade faculty member's skills.

Vision

Dr. Moopen's College of Pharmacy is envisioned to become one among the top 10 Institutions imparting Pharma Education in the Country by the year 2028, with state of art Infrastructure and excellent faculty in a serene campus where learning and healing blends with nature
